

REDRUTH TOWN Market

Produce
Streetfood
Crafts
Live Music
and so much
more!

in Market Strand
and Market
Hall

10 til 2pm

1st Saturday in the month

Redruth Town Market is a collaboration between Redruth Town Council, Redruth Revival CIC, Redruth and District Chamber of Commerce

Become a Trader

We're always looking to expand the variety of products available at our markets. Whilst we have some fantastic traders who sell a variety of products including crafts, soaps, jewellery and street food, we are looking to have more produce available. Specifically bread, cheese and meat. Although all new traders are welcome.

If you're interested in becoming a trader at any of the dates throughout the year, please get in touch.

Trader loyalty scheme

All of our stall holders can take advantage of the following rewards under our trader loyalty scheme.

- **First time trader discount** - new traders get their first stall free.
- **Loyalty card** - buy 5 stalls and get your 6th free. Once you have collected five stamps, you'll be able to claim your free stall.
- **Referral reward** - any trader who refers a new trader gets one free stall.

REDRUTH TOWN Market

We are excited to announce that the Buttermarket is currently on track to reopen in time for the July market. Once reopened, traders will be able to book pitches within the Buttermarket courtyard. However for the time being traders can only book pitches in Market Hall, Market Strand and by the Clock Tower.

Throughout the year we'll continue to have a variety of quality traders selling everything from produce to jewellery within Market Strand, Market Hall and by the Clock Tower. Plus we've lined up a number of fantastic local bands and musicians to play live music throughout Market and Festival days.

As part of our Plastic Free Community status, we ask all stall holders at our markets and festivals to support us in this movement. We encourage stall holders to not sell any single use plastic products or any unnecessary plastics. We are also encouraging shoppers to bring their own reusable bags and coffee cups.
