REDISCOVER REDRUTH TRAIL

We have just launched our second Digital Town Trail. The Rediscover Redruth Trail is an interactive, family friendly trail around Redruth that encourages participants to discover Redruth's heritage and rediscover the innovation of today. Hosted digitally on Geocaching's Adventure Lab app participants can use their phones to complete the trail learning fun facts about Redruth and answering some simple trivia questions along the way. The trail is extensive so splitting the trail up into more manageable sections or driving between points may be preferred.

A MESSAGE FROM US

We are encouraging all involved in our St Piran's Festival to keep the environment in mind by reducing needless plastic. Do your part by bringing your own reusable water bottle and tote bag.

If you don't live locally, or are unable to walk to the festival, consider using public transport or car sharing with friends/family.

DYNNARGH DHIS WELCOME!

Welcome to Redruth's St Piran's Festival Guide – your ultimate 'Wasson' guide to Redruth's celebration of all things Cornish on Saturday 2nd March!

Every year, we celebrate the patron saint of Cornwall – St Piran. The festival began as a celebration of tin miners but today St Piran's Day is celebrated far and wide as a way of recognising all the great things about Cornwall. Come share your Cornish pride and traditions to help showcase our vibrant, fun community. How? Why not come dressed as something that reminds you of Cornwall.

From traditional music, live entertainment, a host of market stalls and games, there will be something for everyone.

THE PARADE AND TRELAWNY SHOUT

Starting at 11am the parade will leave Lemins Court, head up Lower Fore Street past the Miner Statue, then up Higher

Fore Street and into Flowerpot Chapel car park. Before dispersing the parade will gather around the stage and join Redruth Town Band and the Red River Singers for the singing of Trelawny Shout at 12pm. All are welcome to join in as we raise our voices and sing loud and proud.
